

## Tour of the Hamstone Villages Sponsored Ride

When: Sunday 30th April, 10.30 am (Ride start)

Where: Prodigal Bikes HQ, Furrington Farm, Crewkerne, TA18 7NJ

How far???: 22 miles with a few gentle climbs 😊

Prodigal Bikes is a Somerset-based charity that refurbishes donated bikes. We send them to Africa to help people there access education and healthcare, otherwise a long walk away. We now also supply bikes to refugees and asylum seekers and people on low incomes in our own communities around Somerset.

We need finances to run the workshop, buy spares, transport the bikes to Africa and pay for in-country workshops to keep the bikes running. This sponsored ride is vital in helping us to do this important work.

The ride through some lovely countryside and villages starts at the Prodigal Bikes Workshop. You will have the opportunity to see our bikes destined for their new owners, and have a tea, coffee or soft drink prior to the start. We will provide a support service on the day should you need it. On your return, more refreshments will be available.

To enter, please email [aj@prodigalbikes.co.uk](mailto:aj@prodigalbikes.co.uk) and we will send you an information pack. We look forward to seeing you on the 30th April.
